HOW TO ACCESS YOUR PARTICIPANT CENTER

What is the Participant Center?

The Participant Center is the online portal where you can check your fundraising progress, send emails, update your Personal Fundraising webpage, and create a Facebook fundraiser.

On your Personal Fundraising page, you can share your personal story, add a photo or a link to a YouTube video, and create a custom fundraising goal.Then, you can share your page with family and friends, asking them to join you at the event or support your fundraising effort through a generous gift.

For our team captains, the Participant Center is a great place to encourage your team members by emailing them reminder emails and best practices as the event date nears.
