

GAME ON CANCER

*GET MORE OUT OF YOUR WORKOUT
THAN A GOOD SWEAT!*

Game On Cancer participants are running and walking for a cause! Train and fundraise for either the 5K, half marathon or full marathon - the choice is yours!

Cancer is a thief. It's a disease that can steal not just help, but financial well-being too. Game On Cancer helps tackle these "hidden" costs of cancer – including transportation, prescriptions, housing expenses and much more. With your help, we can level the playing field against cancer by alleviating barriers to optimal care and supporting clinical programs that allow for best-in-class cancer treatment.

Game On Cancer assists thousands of Michigan patients who are in danger of experiencing a crisis or interrupted treatment, while also supporting research and supportive oncology programs. **100% of funds raised support our mission!**

Why Game On Cancer?

When you register for any of the events offered during the Detroit Free Press Marathon weekend including the 5K, half marathon or marathon AND register as a Game On Cancer participant, you will receive:

- Training resources and team member meet-ups
- Fundraising tools and personal guidance
- Race medal
- Thank you gifts
- Lunch on race day
- Contests and incentives including celebratory team meal at Andiamo's Riverfront in Detroit

Raise at least \$150 and receive:

- Invitation to the Game On Cancer field day event with the Detroit Lions at Ford Field

Raise at least \$300 and you will also receive:

- A Game On Cancer dri-fit long-sleeved shirt
- Invitation to the Game On Cancer field day event with the Detroit Lions at Ford Field

Additional benefits are provided at higher fundraising levels. Our website will be updated with details in early April so be sure to check back!
